This document contains:

- Information about the Te Pae Tawhiti Kaimoana Enhancement Scholarship which is awarded to a Māori tertiary student enrolled in marine or kaimoana enhancement based studies
- An application form
- Terms and conditions of the Te Pae Tawhiti Kaimoana Enhancement Scholarship.

This is the inaugural year for the Te Pae Tawhiti Kaimoana Enhancement Scholarship ('the Scholarship') provided by Aotearoa Fisheries, (trading as Moana New Zealand) established to support Māori with aspirations to contribute to and work within the Māori marine and/or kaimoana industry.

Today, Moana New Zealand is New Zealand's largest Māori owned kaimoana and kai ora company and is an important part of the inter-generational Māori Fisheries Settlement with the Crown. The nature of that settlement means that Māori will always be involved in fisheries.

Moana New Zealand abide by the following values:

- **Whakapapa** – understanding our genealogy, where we have come from
- **Manaakitanga** – looking after people our way
- **Kaitiakitanga** – caring for our resources for future generations
- **Whakatipuranga** – prosperity for future generations

The Scholarship has been established to honour and acknowledge the long-standing commitment and contribution by Mr Whaimutu Dewes to the Māori fishing industry from the settlement with the Crown, the establishment of Aotearoa Fisheries, to his years of service through directorships and Chairmanship of both Moana New Zealand and Sealord.

The Scholarship programme is designed for Māori who have a desire to contribute to the enhancement of the Māori kaimoana industry.
